2017

Dear YMCA Family,

The Lincoln Area YMCA is a membership organization that provides multiple programs for youth and families. As a membership organization, we are required to charge an annual family membership fee to our participants of \$37 each year. As a participant in YMCA programs, we ask our participant families to forward their annual \$37 membership fee to Lincoln Area YMCA either during January each year along with a completed membership form (reverse side), *or upon registering for their first 2017 YMCA program.*

Lincoln YMCA family membership fees offset various expenses imperative to the operation of the Y. Annual membership runs January 1 through December 31 and ensures receiving multiple seasonal YMCA program guides that market programs, events and services for your child. Programs include sports, art, swim lessons, day camps, before school and after school, bike rides, Y runs and more. The Y also forwards brochures, flyers and other program information to members regularly through the year.

Lincoln Area YMCA is not supported by tax revenue. Program and operational costs are supported and absorbed through membership and program fees, agency donations, corporate sponsorships, financial contributions, and through assistance received from program volunteers. The Y is this community's lead agency to offer such a multitude of program opportunities to local youth, and it is our goal to offer safe, fun, affordable and quality programs and services to any child or family in this community. We truly count on community support, both financially and through volunteerism, to remain a vital part of this community.

If you have any questions about our Y, please call. It is very important to our Y staff and board of directors to continue the mission of providing local children instructional and recreational experiences. Thank you for supporting your local Y!

Respectfully,

Jan Schacht
Executive Director
Lincoln Area YMCA
